PENSION ROLLS ARE NOW ON THE DECREASE

A TOTAL OF SEVEN HUNDRED NAMES WERE STRICKEN OFF LAST YEAR

FEW STATESMEN LISTED

Age Act Now Leads All Other Laws With 44,080, Many Being By Transfer—In 1908 5,152 Old Soldiers Died—Actual Number of Veterans Now on Rolls 76, 558; Widows and Orphans 32,321.

Topeka, Sept. 14.—Notwithstanding the liberal pension laws enacted by congress in recent years, including the age pension act, the pension roll of the Topeka agency has reached its crest and is beginning to diminish. The agency covers the states of Missouri, Kansas, Colorado, Oklahoma and New Mexico.

According to the annual report of Pension Agent Metcalf, just made public, the total number of pensioners now on the various rolls at this agency is 108,879, a decrease of an even 700 over last year.

The age pension act now leads all other laws in the number of pensioners. It contains 44,080. Most of these came from other rolls by transfer. Whenever a soldier can get more money under the age pension law than under the general law or the law of '90 he transfers to it. During the years only 470 original pensioners were put upon the age pension roll.

Lost By Remarriage.
"The fact is most of the soldiers are now pensioned civil war soldiers, I mean," said Pension Agent Metcalf. "This is shown by the fact that so few original pensioners were extended to the rolls last year. Of all the leading statesmen in the western states who participated in the civil war, I can only recall one who is not on the pension roll. That one is Senator Warner, of Kansas City. There may be others, but I cannot recall them. Many soldiers have not asked for pension, but they are few compared to the number in the war, and are little known outside of their respective communities. That is, they are not famous in politics."

During the year 5,152 pensioners died. Widows to the number of 194 lost their pensions by remarriage.

The actual number of old soldiers on the rolls is 76,558, while there are 32,321 widows and children. The widows, alone, total 30,047, leaving 2,274 children. The time is coming soon, so pension officials say, when the widows will outnumber the soldiers. Wives of pensioners do not die as fast as the soldiers themselves.

Drawing Bigger Pensions
The Topeka agency paid out last year \$18,625,978, or \$1,050,000 more than the year before. Thus it is seen that while the number of pensioners is decreasing, the pension payments are increasing. This is due to the fact that the pensioners are drawing bigger pensions. Colonel Metcalf believes that the crest has been reached, and no matter how liberal congress becomes in the future the pension appropriations will, from now on, show a decrease.

Of the two thousand or more children on the rolls, 695 are orphans. Last year 186 minors were put on the rolls, which shows that some of the old soldiers are still fighting race suicide. The agency dropped 152 children who had reached the age limit of sixteen years.

The rolls contain 1,106 pensioners of the regular army—955 soldiers and 151 widows and children; 44,080 soldiers under the age pension act; 29,392 under the general law, of which 6,376 are widows and children, 15,695 under the law of 1890; 23,671 under the widows' pension law; 2,158 of the Spanish war soldiers, of which 294 are widows and children; 18 widows of the 1812 war; 856 survivors and 906 widows and children of the Mexican war, and 122 survivors and 175 widows and children of the Indian wars.

Good for Billousness.
"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel fifty per cent better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for billousness." For sale by all dealers. Samples free.

will have the merit of being new. The management believes that the people have tired of the same old things year after year and has been hunting novelties.

It has found them. One of the most interesting is the Southwestern Marathon, the first long distance endurance race to be run in this part of the country.

Another brand new attraction here will be the Strobel Airship—a real Airship that flies; one that has made flights before thousands of wondering spectators in all parts of the United States and the greatest dirigible balloon ever invented. The immense ship of the air will make daily and nightly flights over the city and the Fair grounds.

Another brand new thing in the line of sports is the game of Pushball. This will be the first time this game has ever been played in the Southwest or for that matter in the whole west, and it promises to be the most exciting innovation in the history of the carnival sports at Albuquerque.

The biggest novelty of the bunch however is President William Howard Taft who visits Albuquerque for the first time during the Fair. A reception to President Taft is being prepared which will smash all records for enthusiastic demonstrations in the Southwest.

Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy

Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says, "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference."
